Editorial Summer 2024

Time flies!

It has been quite a few busy months for the Friends, with Chris retiring from the role of chairman after 18 years of hard work.

I would like to say a huge thank you to Chris and his wife Brenda for their dedication to the Friends over those years.

I have now taken on the role of chairman so may I introduce myself, I am Adrian Smith and have lived in Telford for the last 43 years. I joined the friends just over a year ago when I retired. I have lots of ideas for the coming years with the help of the Friends and we have lots of exciting projects in the pipeline.

Over the last few months we have been busy within the Chelsea and Maxell gardens and also out in the main park clearing 2 bridges of weeds and helping them to look their best. See page 10.

On August 4th we will be holding a quiz for the children around the Chelsea gardens from 11-3. Please come along and support us and have a chat with one of the members about the work that we do.

We are always on the lookout for new volunteers, we meet up on a Wednesday morning from 9-1, if you have any spare time, please feel free to come along and join us. We also run a Saturday morning once a month again from 9-1,the dates will be displayed on our Facebook page (Friends of Telford Town Park). We would be grateful if you could support the work we do by signing up to TWINCL lottery which costs just £1 per week with a chance to win up to £25,000. The Friends benefit from ticket sales as we receive 50p for every ticket bought. All money raised goes towards items such as tools, paint and plants.

Please join our Facebook page to see how our work helps to conserve, protect and promote the Town Park and also about upcoming events.

New sponsor

Simmonds Transport Ltd Stafford Park 11 TF3 3AY 01952 236010

We are delighted to announce that we have now secured the sponsorship of a major hauliers that are based locally in Telford, Simmonds Transport Ltd. Thank you very much.

They have agreed to sponsor us for our environmental work in the park and we hope to have a long and fruitful relationship with them.

We already enjoy the support of the Southwater Event Group (The International Centre, Holiday Inn, International Hotel and the Ramada Hotel, all in Telford), Henshall's Insurance Brokers, (Newport) & J&PR Ltd (Wellington) who handle all our publicity requirements.

All of that support plus the wonderful people who contribute to our coffers by buying lottery tickets every week from the Telford & Wrekin Community Lottery (TWINCL) makes a huge difference to what we are able to achieve in the park along with, of course, the time and effort put in by our many members !

Natural History Museum now open

Low cost entry fees

OPEN most days of the year 11 - 4 including the cafe. Check web site for opening times before travel. Parking available (chargeable) in Dark Lane Car Park Telford Exotic Zoo TF4 3GZ www.exoticzoo.co.uk 01952 591164

Southwater Event Group PROUD TO SUPPORT THE FRIENDS OF TELFORD TOWN PARK

With three hotels, the UK-renowned Telford International Centre and event production specialists Stagecraftuk,

the Southwater Event Group is within convenient walking distance from Telford's convention quarter and the stunning Telford Town Park. Join us for a drink or something to eat at our restaurants in the Ramada or Holiday Inn during 2018 and see for yourself why our customer service is consistently rated 9/10 and above.

TOWN PARK GUIDE BOOK

32 pages only £2

Grab your copy soon !

The Friends have published a new 32 page souvenir guide to Telford Town Park showing all the attractions along with some history of the park and some past events. This guide makes a wonderful souvenir of your visit and has useful information, so that on your next visit you may find out more about the 450 acres of park, woodland, lakes and local nature reserve. The price is just £2 and is available from the Visitor Centre and the Exotic Zoo. Make sure you get your copy.

In case of difficulty please contact us via our web site. www.friendsoftelfordtownpark.org

Telford Town Pr

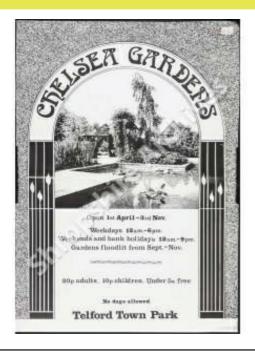

Wonderland

Wonderland in Telford Town Park, fabulous fun for all the family to have a great day out.

See website for opening times.

Did you know ?

Many years ago there was a charge to go into the Chelsea Gardens, 20p for adults and also 10p for children as this brochure shows! Thankfully it is now free.

We do however prefer you to keep your **dogs on a lead** so that the volunteers do not suddenly come across something unsavoury when digging in the gardens!

Also, it is **safer for children**, who can be alarmed if a friendly dog runs up to them rather too enthusiastically

Do enjoy the gardens!!

The Chelsea Gardens are so named because there were originally 3 gardens that were designed by the late David Wassell MBE for the Chelsea Flower Shows of 1977,78 and 79. As they were award winning gardens, the then Telford Development Corporation decided to reinstate them in Telford Town Park. They were later joined by the Maxell Cherry Garden in 1983, sponsored by the Maxell Corporation, now Maxell Europe PLC, who are are still manufacturing in Telford.

Join us No experience necessary!

Telford & Wrekin Council's 10 year strategy for Telford Town Park as of January 2024

Telford Town Park Strategic Framework launched

A new Strategic Framework for Telford Town Park has been launched and sets out a ten-year vision for the Town Park which recognises the special quality of the site and looks to building upon existing successes and meet new national and local priorities.

Six key aims for Telford Town Park have been identified in the Strategic Framework:

More accessible and connected

More engaging and inclusive: work to reduce social and physical barriers and invest in important physical infrastructure, extend the events and activities to make the Town Park a yearround attraction

Improving health and wellbeing

Enhance biodiversity and heritage: protecting and enhancing the built and natural heritage of the Town Park and supporting a greater range of people to have more contact with the built and natural heritage

More sustainable management: look to secure investment in the Town Park and introduce new commercial activities where they will enhance the offer

Contributing to a carbon neutral borough: a sustainable approach to managing the Park in line with the council's Carbon Reduction Management Plan

This Framework proposes a draft 'vision' for Telford Town Park, this being that 'Telford Town Park is an accessible, connected and inclusive green space that improves the health and wellbeing, provides connection to nature and heritage for local and regional visitors and contributes to a

provides connection to nature and heritage for local and regional visitors and contributes to a carbon neutral borough.

Park News

Two of the bridges over the Silkin Way were in some need of tender loving care. So the Friends set about it with gusto! The result was very satisfying and they are now keen to get the railings repainted.

Yet another bridge needing attention! Much larger but not quite as badly overgrown, the Friends set to again. We must agree the result was worth all the hard work put in on just one Saturday morning ! It also turned out that the bridge shown at the top of the page also needed some remedial work to the structure, so the painting has had to wait until the work has been carried out by a professional contractor. Well done to those that helped to make the Park better.

Yet more news !

Yes, we even find time to grow a few vegetables. Chris (ex chairman) is able to help out by cultivating some produce for the Friends to enjoy, hopefully ! We have had some charities growing vegetables in the Community Corden

vegetables in the Community Garden with mixed success. If any group would like the opportunity please get in touch.

Andy Harman getting stuck in to a bit of much needed weeding! Well done Andy, your help is much appreciated.

Andy has been with the Friends for a number of years now and really looks forward to coming to the gardens on a Wednesday morning to help keep the gardens in good shape.

Brian, who has known the gardens for a long time in a professional capacity now, after retiring, works with the Friends. He is here shown passing on his intimate knowledge of the gardens to some interested visitors on a special tour of the gardens. If you would like a group visit with a guided tour please get in touch. No charge but donations are always welcome !

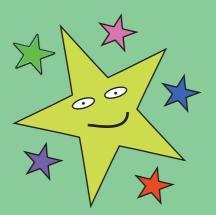

2024 Fun Run

Postponed to 2025

Due to unforeseen circumstances the 2024 Fun Run in Telford Town Park has had to be postponed. We look forward to it being reinstated as a charity event in December 2025. See you all then !

News

Another corner of the Chelsea Gardens gets attention from the Friends ! This time it is a bit of an overgrown area on the left just as you enter the gardens from the bandstand. The safety posts have been smartened up with a coat of green paint and a new path laid with donated stones. There are always jobs like this within the gardens that need a bit of TLC and anyone can do this, no experience is needed ! If you fancy getting involved with a bit of love and care in the Town Park then please come along and join our happy band of volunteers. We are in the gardens every Wednesday from 9 a.m. till around 1 p.m. Come rain or shine!!! The gardens are a wonderfully calm and lovely place to pop in and have a picnic lunch. You would never know that you will only be a few hundred metres from Telford town centre. Come and listen to the birds and you might

even catch sight of our visiting black and white cat !
